To Whom It May Concern:

On January 9th, 2026, the Alabama Community College System (ACCS) issued a Request for Bid (RFB) No. RFB2026-0001-ACCS for the Joint Purchasing Agreement related to technology software, hardware and services. This RFB is intended for use by the Alabama Community College System and Alabama Higher Education Institutions.

I would like to thank all vendors for responding to this request by submitting a bid. An evaluation committee, comprised of two-year institution and System Office technology experts, reviewed all responses based on the criteria specified in the RFB. The scope of the vendors chosen should meet the diverse needs of the institutions within the ACCS and other Alabama Higher Education entities.
